VII. BUSINESS ADMINISTRATOR'S REPORT

Ms. Delasandro explained the items on the agenda. Proposed for approval are the contracts following our public bid opening for the removal and installation of the gymnasium floor. We received three bids for the removal, however, only one was responsive and responsible in all material respects. The total bid from Plymouth Environmental is \$122,000. For the installation of the new floor, we received two bids. Again the lowest bidder had to be rejected for being incomplete. The total bid from Classic Floor Finishing is \$176,700.

Ms. Delasandro explained we also received results of our request for proposals for the wireless upgrade. She is recommending the board approve New Era for a total of \$38,234, of which we would be reimbursed \$7,647 through the E-Rate program.

She further explained that the district will be appropriating the FY 2017 Extraordinary Aid and Non-Public transportation to offset costs of special education extraordinary services in the current year. There is also a resolution to adopt a maximum travel expenditure. The board had previously approved the maximum expenditure during the Reorganization Meeting, however, this Resolution further approves the total pre-budget year amount and total paid to date.

Preliminary Budget Hearing

Ms. Delasandro reviewed the preliminary budget. The total amount of the budget is \$11,422,804, which includes a health care adjustment of \$32,077, and a portion of banked cap from 2016/2017 for \$12,923. The adjustments total of \$45,000 are above the 2% tax levy increase. The total levy including debt service is \$9,622,307, which reflects a 2.5% increase over the prior year.

The budget also includes a withdrawal from Capital Reserve in the amount of \$320,000 to fund the gym floor replacement project. Ms. Delasandro asked if the board members had any questions or comments regarding the Capital Reserve withdrawal, or anything else in the budget. As the board had no questions or comments, Ms. Delasandro asked for a motion to approve Resolutions 1 – 14.
