**8462 – REPORTING POTENTIALLY MISSING  
OR ABUSED CHILDREN**

The Board of Education recognizes early detection of missing, abused, or neglected children is important in protecting the health, safety, and welfare of all children. In recognition of the importance of early detection of missing, abused, or neglected children, the Board of Education adopts this Policy pursuant to the requirements of N.J.S.A. 18A:36-24 and 18A:36-25. The Board provides this Policy for its employees, volunteers, or interns to provide for the early detection of missing, abused, or neglected children through notification of, reporting to, and cooperation with the appropriate law enforcement and child welfare authorities pursuant to N.J.S.A. 18A:36-24 and 18A:36-25 et seq., N.J.A.C. 6A:16-11.1, and N.J.S.A. 9:6-8.10.

Employees, volunteers, or interns working in the school district shall immediately notify designated child welfare authorities of incidents of alleged missing, abused, and/or neglected children. Reports of incidents of alleged missing, abused, or neglected children shall be reported to the New Jersey State Central Registry (SCR) at 1-877 NJ ABUSE or to any other telephone number designated by the appropriate child welfare authorities. If the child is in immediate danger a call shall be placed to 911 as well as to the SCR.

The person having reason to believe that a child may be missing or may have been abused or neglected may inform the Principal or designee prior to notifying designated child welfare authorities if the action will not delay immediate notification. The person notifying designated child welfare authorities shall inform the Principal or designee of the notification, if such had not occurred prior to the notification. Notice to the Principal or designee need not be given when the person believes that such notice would likely endanger the reporter or student involved or when the person believes that such disclosure would likely result in retaliation against the student or in discrimination against the reporter with respect to his or her employment.

The Principal or designee upon being notified by a person having reason to believe that a child may be missing or may have been abused or neglected, must notify appropriate law enforcement authorities. Notification to appropriate law enforcement authorities shall be made for all reports by employees, volunteers, or interns working in the school district. Confirmation by another person is not required for a school district employee, volunteer, or intern to report the suspected missing, abused, or neglected child situation.
