**3130 – ASSIGNMENT AND TRANSER**

The Board of Education and the Superintendent will strive to assign teaching staff members to positions in which their service will best benefit the educational program of the district. Each teaching staff member must possess the certificate and endorsement appropriate to the position to which he/she is appointed. The Superintendent shall require each newly employed or reassigned teaching staff member to exhibit the appropriately endorsed certificate before the member assumes responsibility for the duties of the position.

The Superintendent shall recommend such teaching staff member transfers as will contribute to the provision of a thorough and efficient educational system. No teaching staff member shall be transferred for disciplinary reasons. The Board will consider and may grant the request of a teaching staff member who requests transfer to a new position.

Teaching staff members shall be given written notice of their annual assignments no later than June 1, but nothing in this policy shall preclude the reassignment of a teaching staff member at any time.
