R 2520 – INSTRUCTIONAL SUPPLIES

A. Definition

“Supplies” are the consumable materials distributed to teachers and pupils for the implementation of the instructional program. “Supplies” include, but are not necessarily limited to, paper, pencils, chalk, erasers, paste, clay, artistic materials, craft paper, markers, string, adhesive tape, soap, and the like.

B. Supply Procedures

1. Supplies will be kept in a supply closet or room in each school building. The building secretaries will be responsible for the content and inventory of the supply closet.
2. Each teacher will request supplies each year by submitting a request to the Principal. The teacher should request a sufficient quantity of supplies to satisfy the needs of his/her class for at least a semester.
3. The teacher’s request will be recorded in the Ed Data software program.
4. At the end of each school year, a record of the supplies requested and used in each classroom will be given to the building Principal.
5. The Principal will invite all teaching staff members to suggest additional supplies and/or replacements for the supplies currently used.

C. Cost of Supplies

Supplies will be made available without charge to all pupils, except in the following circumstances:

1. Where non-reusable clothing or personal equipment, such as gym outfits, is required for reason of safety, health, or the protection of school property, pupils will be requested to provide their own clothing or equipment. The Principal may require that such clothing or equipment meet school standards (other than color or style) and may recommend a suitable commercial source for the clothing or equipment.
