Project Graduation

Funding for project graduation activities will be limited to the following:

**One dinner/dance party
Cap and gown
Class photo
Swim party and refreshments
Class Shirt
Graduation Decorations**

Every effort will be made to achieve parity from year to year graduation activities.

Once fund raising exceeds the projected activities budget by \$1000.00, fund raising for that class will cease and be offered to the next class.

Unexpended project graduation funds are donated to the next class up to \$500 and any overage will be donated as a class gift to the Nathan Hale School by majority vote of the graduating class.

Adopted: January 24, 2005
