School Procedures

R 7430.1 SCHOOL PROCEDURES

1. Students entering the grounds in the morning and at noon are to:
 - a. Go directly to the playground area;
 - b. Line up with class and wait for the homeroom teacher to enter;
 - c. Not loiter in front of the building and parking lot area;
 - d. In inclement weather use any door that is open.
2. Students are not to return from lunch before the appointed time except for special rehearsals.
3. Students must use sidewalks at all times and walk bikes when on school property. There will be no double riding.
4. When changing classes, students must stay to the right; no pushing or running, and minimum noise.
5. Students must not cross the railroad tracks alone at anytime; students must cross only where there is a crossing guard.
6. When school is dismissed, students must leave the school grounds immediately.
7. Students are allowed to their lockers only during the appointed time or with special permission.
8. Only authorized personnel will open and close the corridor windows.
9. Students must not cross at the corner of Clinton and Tappan Road. This is not a designated crossing.

Issued: 28 September 1998
