R 2460.1 – SPECIAL EDUCATION-LOCATION, IDENTIFICATION, AND REFERRAL

All students with disabilities, who are in need of special education and related services, including students with disabilities attending nonpublic schools, and highly mobile students such as migrant and homeless students regardless of the severity of their disabilities, are located, identified and evaluated according to N.J.A.C. 6A:14-3.3.

A. Procedures for Locating Students With Disabilities

1. The Child Study Team will coordinate the child find activities to locate, identify and evaluate all children, ages three through twenty-one, who reside within the school district or attend nonpublic schools within the school district and who may have a disability.
2. By the end of each school year, the Child Study Team will conduct child find activities, in the native language of the population, as appropriate, including but not limited to:
 - a. Development of child find materials for distribution.
 - b. Distribution of flyers to the parents of all students enrolled in the school district.
 - c. Mailing of child find material to local pediatricians, hospitals and clergy.
 - d. Public service announcements in local newspapers.
 - e. Distribution of child find materials in supermarkets, convenience stores, shelters for the homeless, public and private social service agency locations and nursery school providers.
 - f. Mailing information letters to local physicians, hospitals, nursery schools, non-public schools, health departments, community centers, rescue squads and churches.

- g. Training of home school advocate/school community liaisons or others to assist in the identification of potentially disabled students.
- h. Listings of Early Intervention Program (EIP), local nursery schools and pediatricians are maintained. The district's preschool coordinator (or other) maintains contact with EIP coordinator and nursery school director.
- i. School handbooks distributed to parents contain information describing special education services.
- j. Distribution of information to the school district's ESL/Bilingual teachers describing child find activities.
- k. Students entering Kindergarten are screened to identify students who may have a disability.
- l. Intervention and Referral Services Committees (I&RS) have been established in all school buildings.

B. Procedures for Intervention in the General Education Program

A staff member or agency shall provide in writing a request for intervention services for students ages 3 to 14, (indicate ages of students present in the school district) to the Principal or designee. The request shall contain the following:

1. Reason for request (including parental or adult student request);
2. Descriptive behavior of student performance; and
3. Indication of the prior interventions.

Teachers and other school professionals, as appropriate, will be in-serviced annually by the Principal or designee regarding the procedures for initiating and providing interventions in the general education program. The parent(s) will be informed of the procedures to initiate interventions in the general education program.

An Intervention and Referral Services Committee (I&RS) will be in place in the school pursuant to N.J.A.C. 6A:16-8.1 et seq. and Policy and Regulation 2417.

The Principal or designee will be responsible for the following:

1. The implementation and effectiveness of building level I&RS Committee;
2. Will identify the roles and responsibilities of building staff who participate in planning and providing intervention services; and
3. Review, assess and document the effectiveness of the services provided in achieving the outcome identified in the intervention plan.
4. The I&RS Committee shall:
 - a. Plan and provide appropriate intervention services;
 - b. Actively involve the parent(s) in the development and implementation of intervention plans;
 - c. Develop an action plan for an identified student which specifies specific tasks, resources, persons responsible, completion dates, date for review;
 - d. Coordinate the services of community based social and health provider agencies;
 - e. Process and complete the documentation forms;
 - f. Review and assess the effectiveness of the services provided in achieving the outcomes identified in the intervention and referral plan; and
 - g. Ensure the type, frequency, duration, and effectiveness of the interventions are documented.

C. Procedures for Referral

Referral procedures are included in professional staff handbooks and referral forms are available in the Principal's office and, the Child Study Team (CST) office.

1. Parent Initiated Referral

When a parent makes a written request for an evaluation to determine eligibility for services:

- a. The written request shall be immediately forwarded to the office of special services/special education;
- b. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting and any forms used to open a case;
- c. Upon receipt of the referral a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
- d. The CST will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date the request was received by the district;
- e. A "Notice of a Referral/Identification Meeting" will be sent to the parent(s);
- f. The notice will contain "Parental Rights in Special Education" (PRISE) Booklet; and
- g. The referral/identification meeting will be attended by the parent(s), CST, and regular education teacher.

3. School Initiated Referral

Referral of a student to the CST may be made by administrative, instructional, or other professional staff to determine eligibility for special services when:

- a. It is determined (through the I&RS Committee) that interventions in the general education program have not been effective in alleviating the student's educational difficulties.
- b. It can be documented that the nature of the student's educational problem(s) is such that an evaluation to determine eligibility for services is warranted without delay.
 - (1) A student with a disability, who is advancing from grade to grade with the support of specially designed services, may continue to be eligible when:
 - (a) As part of the re-evaluation, the Individualized Education Plan (IEP) team determines that the student continues to require specially designed services to progress in the general education curriculum; and
 - (b) The use of functional assessment information supports the IEP team's determination.

The following procedure will be followed for a school initiated referral:

- a. A referral to the CST will be completed by the referring staff member;
- b. I&RS documentation including, but not limited to: teacher reports, grades and other relevant data (the intervention record) shall be forwarded with the referral to the CST along with any other relevant data;
- c. I&RS documentation does not need to be forwarded for direct referral when the nature of the student's problem is such that the evaluation is warranted without delay;

- d. The referral should be dated upon receipt by the CST;
 - e. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting;
 - f. Upon receipt of the referral, a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
 - g. The CST will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date recorded on the referral;
 - h. A “Notice of a Referral/Identification Meeting” will be sent to the parent(s);
 - i. The notice shall contain “Parental Rights in Special Education” (PRISE); and
 - j. The referral/identification meeting will be attended by the parent(s), CST, and regular education teacher.
- 4. The district may use community rehabilitation programs approved by the New Jersey Department of Labor, Division of Vocational Rehabilitation Services or any other State agency empowered to accept secondary level student placement according to N.J.A.C. 6A:14-4.7(i).
 - 5. Each evaluation of the student requires an assessment to determine appropriate post-secondary outcomes as part of transition services planning.
 - 6. Each IEP Team member is required to certify in writing whether the IEP Team report reflects his or her conclusions. In the event the IEP Team report does not reflect the IEP Team member’s conclusion, the IEP Team member must submit a dissenting opinion in order to ensure the parent(s) is aware of dissenting opinions regarding the determination of eligibility for a specific learning disability.
