Two additional days have been built into this calendar in the event of emergency school closings. If no emergency closing days are used during the year the last day of school will be June 19.

Due to the possibility of snow days or other unforeseen circumstances that require the closing of school beyond the two days (June 20-21) built into the calendar, the last day of school may be extended beyond June 21, 2017.

If deemed necessary by unexpected closings, the Winter and Spring Recesses may be abbreviated in part or whole. Therefore, plans which cannot be changed should not be made those weeks.

The Superintendent reserves the right to make adjustments to the calendar as deemed necessary.
